Planning Your Event

1. CHOOSE AN EVENT TOPIC
   I. Browse through our list of abortion and family planning Event Topics for skills workshops (MVA, IUD, or No-Scalpel Vasectomy) and other educational events.
   II. Questions to consider:
       a. What topics are lacking in your school’s medical curriculum?
       b. What topics will attract the most students?
       c. Is there a specific skill or issue students are interested in learning about?

2. STRUCTURING YOUR EVENT
   I. Choose one or more of these options for structuring your event: hands on workshops, lecture or presentation, panel, Film screening (visit our Video Library), be creative!
   II. Create an event timeline, estimating how much time you will need for each part of the event (i.e. set up, presentation, demonstration, questions, clean up.)

3. EVENT PREPARATION

   BUDGET
   - Base each event budget on your semester budget plan. Don’t worry we made you a budget template!
   - Compile a list of expenses for this event. Do you have enough funding for your semester?
   - If your expenses are too high, start finding ways to save or raise funds. Check our fundraising guide for tips.

   SPEAKERS AND FACILITATORS
   - Find someone to host the event (if necessary) as far in advance as possible!
   - If you are having trouble finding a speaker/facilitator email students@msfc.org well before the event date.
   - After the event make sure to thank them for their help and support.

   LOCATION AND MATERIALS
   - Secure a location a month in advance!
   - Make a materials list: flyers, food, hands-on workshop materials, handouts, etc.
   - If you are hosting a hands-on workshop (NSV, MVA, IUD) and need materials, let MSFC HQ know at least 3 weeks in advance!
     Email students@msfc.org to submit your request.
   - Ask your speaker if they need any materials to properly host the event.

   PARTNERSHIPS AND FOOD
   - Partnering with other organizations draws a larger audience and reduces event costs.
   - Potential partners: NARAL, PP, ACLU, LGBTQ Centers, and women’s interest groups.
   - Reach out multiple weeks in advance to inquire about interest.
   - Focus on how the group will benefit by partnering with you for this event.
