Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

☒ **X****1** Briefly describe the organization's mission:

MSFC recognizes that one of the greatest obstacles to safe and legal abortion is the absence of trained providers. As medical students and residents, we are working to make reproductive health care, including abortion, a standard part of medical education and residency training.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?☐ Yes ☒ **X** No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?☐ Yes ☒ **X** No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 411,046. including grants of \$) (Revenue \$)

The Student Organizing program supported approximately 1,000 educational events on 185 medical school campuses. The events included lectures, panel discussions, and film screenings on the topics of abortion and contraception. Additionally, 40% of our chapters are engaged in or are planning to engage in projects to reform their schools' official curriculum to include more information about reproductive health and abortion.

4b (Code:) (Expenses \$ 264,838. including grants of \$ 64,447.) (Revenue \$)

The Reproductive Health Externship Funding Program (RHE) provided financial support to 137 medical students and residents who sought opportunities not available in the medical schools and residency programs for first-hand abortion training. Continuing analysis of the program shows a statistically significant increase in the participants' knowledge of family planning and intention to provide abortion as a result of their externship experience.

4c (Code:) (Expenses \$ 225,601. including grants of \$) (Revenue \$ 42,377.)

253 medical students and residents attended our 2015 Conference on Family Planning, the premier conference for medical students and residents interested in family planning. 98% of conference attendees rated the conference as either "useful" or "very useful" on conference post-surveys. In addition, MSFC hosted 5 Abortion Training Institutes. Due to the highly selective nature of the program, MSFC only selected 60% of the overall applicants for full funding. 136 attendees were exposed to a day and a half of education on abortion provision including clinical presentations on all surgical and medical abortion techniques and other skills related to providing abortion.

4d Other program services (Describe in Schedule O.)(Expenses \$ 92,525. including grants of \$) (Revenue \$)**4e** Total program service expenses **994,010.**

Management believes MSFC met the requirements to maintain its tax-exempt status and has no income subject to unrelated business income tax, therefore no provisions for income taxes has been provided in these financial statements. MSFC's tax returns for the past three years are open for examination by the taxing authorities.

At the new Board member orientation, members sign a statement of their commitment to their responsibilities. The disclosure wording follows.

Members must safeguard the credibility and integrity of the organization by making a good faith effort to place the welfare of the organization before personal benefit. Board members who suspect they may have a potential conflict of interest between Board responsibilities and an individual obligation must disclose this to the Board and abstain from discussion and voting regarding that issue. Open, honest and professional discussion of potential conflicts of interest is expected of all board members. The board values the range of perspectives brought to Board discussions by individuals with diverse organizational experience and professional relationships; potential conflicts may be expected. These guidelines will ensure that the interests of MSFC will be paramount in the decision-making

Form 990, Part VI, Section B, Line 15:

In developing the model, the Executive Committee considered factors including fairness of compensation without excessive salary growth while rewarding excellent performance, justifiability of the expense as a proportion of the organization's resources, as well as input from consultants and Executive Directors of similar sized organizations. The current process is intended to provide a steady model for salary growth, requiring appropriate but not excessive annual time investment of the Executive Committee and Board. When determining a raise, the Executive Committee and Board must find a number that is not only appropriate for the caliber of work, but one that is responsible to external stakeholders. The specific raise can include COLA plus a merit-based percentage. An overall score is used to determine the appropriate range for a merit-based salary increase. The overall score is determined by finding the mean of all scores given on the Executive Director Annual Evaluation by the Board of Directors (both Directors and Staff complete evaluations of the Executive Director and the Executive Director completes a self-evaluation). The

total raise (including both COLA and merit adjustment) generally should not exceed 7% in any given year and should not cause the Executive Directors salary to exceed 12% of the organizations operating budget. The process was last undertaken in March 2014.
