Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III [X]

1 Briefly describe the organization's mission: MSFC recognizes that one of the greatest obstacles to safe and legal abortion is the absence of trained providers. As medical students and residents, we are working to make reproductive health care, including abortion, a standard part of medical education and residency training.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? [] Yes [X] No If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? [] Yes [X] No If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 424,989. including grants of \$) (Revenue \$) The Student Organizing program supported approximately 1,700 educational events on 219 medical school campuses. The events included lectures, panel discussions, and film screenings on the topics of abortion and contraception. Additionally, 34% of our chapters are engaged in or are planning to engage in projects to reform their schools' official curriculum to include more information about reproductive health and abortion.

4b (Code:) (Expenses \$ 210,137. including grants of \$ 15,553.) (Revenue \$) The Reproductive Health Externship Program (RHE) provided \$15,553 of grants and \$77,432 of travel reimbursements as financial support to 150 medical students and residents who sought opportunities not available in the medical schools and residency programs for first-hand abortion training. Continuing analysis of the program shows a statistically significant increase in the participants' knowledge of family planning and intention to provide abortion as a result of their externship experience.

4c (Code:) (Expenses \$ 291,055. including grants of \$) (Revenue \$ 69,275.) 392 medical students and residents attended our 2018 Conference on Family Planning, the premier conference for medical students and residents interested in family planning. 99% of conference attendees rated the conference as either "useful" or "very useful" on conference post-surveys. In addition, MSFC hosted 3 Abortion Training Institutes. Due to the highly selective nature of the program, MSFC only selected 38% of the overall applicants for full funding. 107 attendees were exposed to a day and a half of education on abortion provision including clinical presentations on all surgical and medical abortion techniques and other skills related to providing abortion.

4d Other program services (Describe in Schedule O.) (Expenses \$ 86,133. including grants of \$) (Revenue \$ 1,882.)

4e Total program service expenses 1,012,314.

MSFC regularly reviews and evaluates its tax positions taken in previously filed information returns and as reflected in its financial statements, with regard to issues affecting its tax status, unrelated business income and related matters. Management believes that in the event of an examination by taxing authorities, its positions would prevail based on the technical merits of such positions. Therefore, MSFC has concluded that no tax benefits or liabilities are required to be recognized. Should the tax exempt status be challenged in the future, MSFC's three most recent tax years are open for examination by the IRS, generally for three years after they have been filed.

In developing the model, the Executive Committee considered factors including fairness of compensation without excessive salary growth while rewarding excellent performance, justifiability of the expense as a proportion of the organization's resources, as well as input from consultants and Executive Directors of similar sized organizations. The current process is intended to provide a steady model for salary growth, requiring appropriate but not excessive annual time investment of the Executive Committee and Board. When determining a raise, the Executive Committee and Board must find a number that is not only appropriate for the caliber of work, but one that is responsible to external stakeholders. The specific raise can include COLA plus a merit-based percentage. An overall score is used to determine the appropriate range for a merit-based salary increase. The overall score is determined by finding the mean of all scores given on the Executive Director Annual Evaluation by the Board of Directors (both Directors and Staff complete evaluations of the Executive Director and the Executive Director completes a self-evaluation).
